

## 9th Assignment: Achromatic Torn or Cut Paper Design

On a 5"x7" piece of paper or cardboard, produce a design from grey papers, either painted swatches, or found in magazines. Designs will be cut or torn and glued to the surface of your paper. No type, no pre-designed shapes. These must all be created by your hand. The entire design must consist of cut or torn papers. The finished design will then be mounted to foamboard, producing a finished size of 7" x 9". Be creative, impress me!
