

# ART PROJECT

MS. RAY

DUE BEFORE: JUNE 9TH -100 POINTS POSSIBLE

**Objective:** Become capable of creating and participating in the Visual Arts. Utilizing skills that have been studied and practiced in class.

**Directions:** Pick one well established artist that you admire (I provided a list of some artist below to give you some examples). Then, find a piece of art that you admire from that artist and recreate it using any medium (paint, colored pencils, pastels, etc.) I have water colors and pastels that you can borrow and must return with your project. Your project must be mounted (glued) on black construction paper ( I will provide the paper for you) with your name on the back. I want you to try your best to recreate the art that you choose. Observe the artist's techniques, the type of paint or medium they used. I have included a picture below of Gustav Klimt's The Kiss and my recreation of it that I did in college below as an example:

Here are some examples of artist to choose from. If you don't see an artist on here, that you would like to use, please check with me first to get approval before you begin working on your project.
