

## *11th Assignment: Letters as Texture*

Use letters of the alphabet (either cut from magazines or newspapers, or handwriting) in such a way that they lose their identity as letters and present, instead, the sensation of a texture. Final image size of 8x10, mounted with a 1" border to black foamboard or matteboard — final size of 10x12" Only one finished design. Due at the beginning of the next class period
